TOP TWO CANDIDATES OPEN PRIMARY ACT AND VOTER-NOMINATED OFFICES

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices. Only the two candidates receiving the most votes—regardless of party preference—move on to the general election, regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election.

Additionally, there is no independent nomination process for a general election. California's new open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Party-Nominated/Partisan Offices

Under the California Constitution, political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A candidate nominated will then represent that party as its official candidate for the office in question at the ensuing general election and the ballot will reflect an official designation to that effect. The top vote-getter for each party at the primary election is entitled to participate in the general election. Parties may elect officers of official party committees at a partisan primary.

Voters who registered to vote without stating a political party preference are known as No Party Preference (NPP) voters. For presidential primary elections, NPP voters will receive a “non-partisan” ballot that does not include presidential candidates. However, a political party may authorize a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Under the California Constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the following general election. A candidate for nomination or election to a voter-nominated office shall have his or her party preference, or lack of party preference, reflected on the primary and general election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any voter-nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office, provided they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election advance to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the general election unless such candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Under the California Constitution, political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate nominated for a nonpartisan office at the primary election is not the official nominee of any party for the office in question at the ensuing general election. A candidate for nomination or election to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the primary and general election ballot. The top two vote-getters at the primary election advance to the general election for the nonpartisan office.

Statements must be filed at the same time nomination papers are filed and may be withdrawn, but not changed, until 5 p.m. the next regular business day after nominations close. Statements are confidential until nominations (or extended nominations) close and then become public record.

Statements shall be limited to a recitation of the candidate's own personal background and qualifications and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities.

E.C. §§13307, 13308

Each candidate must file a Statement of Economic Interests (Form 700) not later than the final filing date for the Declaration of Candidacy. Elected officials must also file Statements of Economic Interests within (30) days after assuming office, annually, and within (30) days of leaving office. If an individual is appointed to an office, he or she must file not more than (30) days after assuming office. Under certain conditions, the Statement of Economic Interests need not be filed if such a statement was filed within (60) days prior to the filing of a Declaration of Candidacy or the date of assuming office. NOTE: This summary of qualifications and requirements is for general information only and does not have the force and effect of law, regulation, or rule. In case of conflict, the law, regulation, or rule will apply. NAME TO APPEAR ON BALLOT

The ballot name may be designated as follows:

1. Candidate's full legal name
2. First, middle, and last name
3. Initials only and last name
4. A short version of the candidate's legal name such as Bill for William, Dick for Richard, or Kathy for Kathleen.
5. A candidate may have his or her legal name appear with a nickname by which the candidate is commonly known. A **nickname must be in quotation marks**.

Note: Candidates using a nickname in place of their legal name, or a name order not listed above, should provide documentation showing common or community use of proposed name.

Within one year of any election, a change in legal name shall not appear upon the ballot unless the change was made by Marriage or by Decree of court.

EC §13104

No titles or degrees are allowed in the ballot name.

EC §13106

PLACEMENT OF NAMES ON BALLOT

The order in which candidates' name shall be placed on the ballot is specified in California Elections Code §§13111 and 13112. Election Code §13109 specifies the order of precedence of offices on the ballot.

Random Alphabet Drawing

At 11:00 a.m. on the 82nd day before the election, the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The County Clerk/Registrar of Voters conducts a random alphabet drawing (Elections Code §13111) to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

ROTATION OF NAMES ON THE BALLOT

- **Candidates for Statewide Offices**: Candidates for offices voted on throughout the state are placed on the ballot in the random order in the First State Assembly District. In the next district the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.
- **Candidates for Congress**: Candidates are placed on the ballot in the random order in the lowest numbered State Assembly District within the Congressional District. The candidate's names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.
- **Candidates for Countywide Offices**: Candidates for countywide offices are placed on the ballot in random order and rotated by Supervisorial Districts within the county.
- **Candidates for State Senate and Member of the Assembly in Districts that cross county lines**: Candidates are placed on the ballot in a random order drawn by the County Clerk/Registrar of Voters within each County.
- **Candidates for other offices**: Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.

BALLOT DESIGNATIONS

California law provides that candidates for political office can choose to list a ballot designation under their name that tells voters something about themselves. This is often a current elected office title or description of the candidate's principal profession, vocation, or occupation. Candidates are not required to use a ballot designation and may opt to leave the space for a designation blank on the ballot.

The candidate will be given the opportunity to indicate a ballot designation on the Declaration of Candidacy or Nomination Papers. However, a candidate is not permitted to use a ballot designation until after they complete a Ballot Designation Worksheet. See the Ballot Designation Worksheet, Exhibit A towards the end of this guide. The entire Ballot Designation Worksheet **must be completed**, or it will **not** be accepted, and the candidate will not be permitted to use a ballot designation. The candidate shall have the burden of establishing that the proposed ballot designation, and alternate ballot designation(s) (if provided) are accurate. Once the Ballot Designation Worksheet is filed, the Elections Official will verify that the chosen ballot designation complies with all provisions of Elections Code §13107 and CCR §20710. A candidate may be asked to submit additional supporting documentation or other evidence to support the proposed ballot designation. **The Ballot Designation Worksheet shall be filed with the Elections Official at the same time the candidate files his/her Declaration of Candidacy.** The worksheet and all supporting documents will become public record once filed.

E.C. §13107.3, C.C.R. §20711

If Ballot Designation is Not Accepted

If the Elections Official has determined the ballot designation is unacceptable, the Elections Official will notify the candidate by phone, and registered, or certified mail return receipt requested, addressed to the mailing address provided on the candidate's Ballot Designation Worksheet.

E.C. §13107(f)

The Candidate shall, within 3 business days from the date the candidate receives notice by phone, or by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, the candidate must come into the County Elections office and provide a designation that is acceptable.

E.C. §13107(f)(1)

Note: If the candidate fails to provide a new designation within this three-day period, a designation shall not appear after the candidate's name.

E.C. §13107(f)(2)

No ballot designation can be changed after the final date of filing unless specifically requested by the Elections Official.

E.C. §13107(g)(2)

GENERAL GUIDELINES FOR ACCEPTABLE BALLOT DESIGNATIONS

There are general guidelines specified by law regarding what can be used as a ballot designation.

1. **The Use of an Elected Office**
   Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people.

NOTE: There shall be no word count limitation applicable to ballot designations submitted for an applicable title of an Elected Office. Excessively long ballot designations may require reduced font size to be printed on the ballot card.

2. **Use of the Word "Incumbent"**
   A candidate may use the word "Incumbent" if they are a candidate for the same office which he or she holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or in case of a superior court judge, was appointed to the office.

NOTE: Proposed ballot designations such as "Incumbent" indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute elective county or state offices.

C.C.R. §20712(e)

3. Three Word Limit

No more than three words designating either the current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered one word.

The following rules shall govern the application of the three-word limitation:

- The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

- Punctuation shall be limited to the use of:
  - A comma – A comma is followed by a modifier of the word prior.
    Example: District Attorney, Los Angeles County
  - A slash – A slash is used to separate multiple distinct designations.
    Example: Legislator/Rancher/Physician
  - A hyphen – A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.
    Examples of acceptable hyphenated words: x-ray, hi-tech

- Using “Councilmember” (one word) vs. “Council Member” (two words) will depend on how the word is used by the governing body of the office for which the candidate is seeking election.

- All California geographical names shall be considered one word and shall be limited to the names of cities, counties, and states. The names of special districts and political subdivisions are not “geographical names”. If the candidate desires, the geographical name may be used in the form of “City of….,” “County of ….,” or “City and County of …….”

- Examples of geographical names considered to be one word include:
  - Fresno County
  - City of Clovis
  - County of Fresno

- Examples of designations containing a special district or political subdivision that are not geographical names include:
  - Butte County Rural Fire District Captain
  - Huntington Beach Unified School District Member
  - South Bay Irrigation District Director

- An acronym shall be counted as one word.

- A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so, but the total ballot designation shall be limited to **no more than three words**.

  Examples of acceptable designations under this section include:
  - State Senator/Rancher
  - California Assemblywoman/Attorney
  - County Supervisor/Teacher

  Examples of unacceptable designations under this section include:
  - Assemblyman, 57th District/Educator
  - California State Senator/Architect
  - Fresno County Supervisor/Business Owner

4. The Phrase "Appointed Incumbent"

The phrase "appointed" must be used if the candidate:

- Wishes to use the word "incumbent" and they hold an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to that same office.
- Or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office.

In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the word "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she was appointed, as a nominated candidate, in lieu of an election.

Ballot Designation of "Community Volunteer"

A candidate's ballot designation as "community volunteer" means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:

- A charitable, educational, or religious organization as defined by the U.S. IRS Code section 501 (c)(3);
- A governmental agency; or
- An educational institution.

The activity or service must constitute substantial involvement of the candidate's time and effort such that the activity or service is the sole principal profession, vocation, or occupation of the candidate.

GENERAL DEFINITIONS

Incumbent

The term "incumbent" must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjective or modifiers, and must stand alone except when using "Appointed Incumbent".

Profession

This means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accounting, and journalism.

Examples of an acceptable designation of a "profession," include:

- Attorney
- Physician
- Accountant
- Architect
- Teacher

Principal

This means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate.

In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of one which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers. The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement, which is only nominal in character, does not meet the requirements of the statute.

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if the candidate has maintained his or her license current as of the date, and the status of the candidate’s license is active at the time he or she filed his or her nomination documents.

GENERAL GUIDELINES FOR UNACCEPTABLE BALLOT DESIGNATIONS

The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations:

Limitations on the Use of Words Designating a Former Position

A word or prefix, such as “former” or “ex” which means a prior status is not allowed.

The only exception is the use of the word “retired.” However, the use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation, or occupation.

A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

The word “Retired” cannot be abbreviated or placed following any word or words that it modifies.

C.C.R. §20716

CANDIDATE STATEMENT OF QUALIFICATIONS

A candidate statement is information, provided by the candidate, concerning his or her education and qualifications. This is optional for the candidate. If provided, it will be printed in the Voter's Pamphlet section of the Fresno County Voter Information Guide. If a candidate chooses not to file a statement, they must sign a declaration stating this.

Any candidate for local nonpartisan office may submit a candidate statement to be printed in the Voter's Pamphlet portion of the Fresno County Voter Information Guide. U.S. Representative candidates and State Senate and Assembly legislative candidates who choose to keep their campaign spending under specific dollar limits may submit a candidate statement.

A candidate statement with payment is due at the time Nomination papers are filed. If no nomination signatures are required, it is due by the close of candidate filing.

GENERAL PROCEDURE

If a candidate wishes to submit a candidate statement, they must adhere to the following procedure:

1. **Provide an electronic copy of the statement to the County Clerk/Registrar of Voters**
A candidate statement must be provided electronically by the candidate to our office prior to the candidate filing their Nomination papers. This should be done by EMAIL, sending the document to clerk-elections@fresnocountyca.gov. The candidate statement should be in Microsoft WORD format. Hand written statements or hand written edits to statements will not be accepted.

2. Counting Words
Once the candidate is in the office and ready to file the candidate statement, the County Clerk/Registrar of Voters will print out a copy of the document received. They will then perform a word count (see the 'Word Count Standards' section in the guide). If the word count is above the maximum allowed, the statement will not be accepted as filed. The maximum allowed for U.S. Representative candidates and State Office candidates who choose to keep their campaign spending under a specified limit, is **250 words**. All other candidates have a limit of **200 words**.

E.C. §§13307(a), 13307.5, G.C. §85601

3. Pay the Cost Estimate

If the candidate statement submitted is below or meets the maximum word count, the candidate must pay the cost estimate at the time the candidate statement is submitted. The check should be made out to Fresno County Clerk/Registrar of Voters.

Candidate statements are printed at the expense of the candidate. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment after the election when actual costs are known. In the event of underpayment, candidates may be required to pay the balance of the cost incurred by the County, billed after the election. In the event of overpayment, Fresno County shall prorate the excess amount among the candidates for each race and refund the excess amount paid within 30 days of the election.

Estimated costs for candidate statements are based on the total costs of printing, handling, translating, and mailing the candidate statement, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965. Fresno County is required to print all candidate statements in English and Spanish. Each candidate filing a statement is required to pay their pro rata share as a condition of having the statement included in the County Voter Information Guide.

4. Sign Declaration and File the Candidate Statement

Once the estimated cost is paid, the Elections Official will accept the statement for filing. When filing, the candidate must sign a declaration declaring that the information contained therein is true and correct.

Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required, no later than the 88th day prior to the election.

Candidates are responsible for proofreading their own statement. The statement will be printed exactly as provided electronically. This office will not correct any misspellings or errors in grammar or punctuation. After filing by the deadline, the statement can be withdrawn, but not changed. The last day to withdraw a candidate statement is the first business day after the close of filing.

GENERAL FORMAT

Statements will be printed in uniform type, style and spacing. Paragraphs should be indented and single-spaced, with no line spacing between paragraphs. NOTE: The County Clerk/Registrar of Voters may need to adjust the candidate statement for space requirements in the county voter information guide. The statement may include the candidate's age, occupation, and a brief description of the candidate's education and qualifications.

Header

In the header of the statement a candidate must state their name, and optionally may place their age and occupation. This is not included in the word count. Occupation is not restricted by ballot designation limitations; however, the occupation may not exceed 7 words in length.

Description of Education, Qualifications, and Personal Background

The body of the candidate statement is a description of the candidate's education, personal background, and qualifications. This section is limited by the word count (see below).

Statements must be written in the first person. For example:

- "I am running..."
- "I went to….."

The statement cannot be written in 3rd person, quote other persons, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. For example:

- "She is running..."
- "Jane Doe is running..."
- "My opponent is….."

SAMPLE CANDIDATE STATEMENT

Shown below is a sample of a candidate's statement form. The upper portion stating the contest, name, age, and occupation is not included in the word count. The statement shown below has been typed, in upper and lower case, indented paragraph form.

Printed Candidate's Statement ▸ This example illustrates the candidate's statement as it will be printed in the County Voter Information Guide. All statements are printed in "indented paragraph" style.

* Occupation and Age are optional.

CITY COUNCIL DISTRICT

Candidate's Name Age: 32*
Occupation: Businesswoman*

Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.

I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that complement our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

As found in Chapter 5 of Division 20 of the California Elections Code

ARTICLE 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.
It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.
The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

ARTICLE 2. Definitions

20420. As used in this chapter, “Code” means the Code of Fair Campaign Practices.

ARTICLE 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.
The text of the code shall read, as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.
THEREFORE:

(1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.

(2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.

(3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

(4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.

(5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.

(6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. CAMPAIGN CONTRIBUTION LIMITS

State Contribution Limits and Voluntary Expenditure Ceilings

State Contribution Limits for Candidates

Candidates running for a state office and committees that make contributions to state candidates are limited in the amount of contributions they may accept from a single source. As of January 1, 2021, a state campaign contribution limit applies by default to city and county candidates when the city or county has not already enacted laws addressing contribution limits on such candidates. The contribution limits are different depending on the office, the committee, and the contributor.

In addition to state laws, contribution limits are also imposed in many California cities, counties, and districts. Contact your city or county about contribution limits for local offices. Local ordinances are posted on the FPPC local campaign ordinances page. All information should be verified by the election agency within the local jurisdiction.

Contributions from affiliated entities are aggregated for purposes of the limits. And if a candidate for state office is currently a state officeholder, contributions to the candidate's future election must be cumulated with contributions to his or her officeholder account for purposes of the limits.

Contribution limits to candidates apply to each election. Contribution limits to officeholders and other committees apply on a calendar year basis. The primary, general, special, and special run-off elections are considered separate elections. The charts for the California State Campaign Contribution Limits are located on this link: 2025 Contribution Limits Chart.

Voluntary Expenditure Ceilings for State Candidates

State candidates may voluntarily accept expenditure limits for elections. They must declare on the Candidate Intention Statement (Form 501) whether they accept the voluntary expenditure ceiling established for each election. Candidates who accept the ceiling are designated in either the state ballot pamphlet (statewide candidates) or the voter information portion of the sample ballot (Senate and Assembly candidates) and may purchase space in the sample ballot to place a 250-word statement. The voluntary expenditure ceilings are effective for elections held between January 1, 2025, and December 31, 2026. The chart for the voluntary expenditure ceilings is on this link: 2025 Voluntary Expenditure Ceiling Chart for State Candidates.

FPPC Contribution Limits: City and County Candidates

Assembly Bill 571 (Stats. 2019, Ch. 556, AB 571 Mullin), effective January 1, 2021, applies a default campaign contribution limit to city and county candidates when the city or county has not already enacted a contribution limit. Along with the new campaign contribution limit, there are other related provisions that formerly applied only to state level candidates that will now apply to city and county candidates. Please note that none of the provisions of AB 571 apply to candidates in cities or counties for which the city or county has enacted campaign contribution limits.

Who Do These Rules Apply to?

The new provisions set forth by AB 571 only apply to city and county candidates when the city or county has not already enacted a contribution limit on such candidates. Below are some examples of city and county candidates:

- City Attorney
- City Council Members
- County Board of Supervisors
- County Superintendent of Schools

There are many candidates who are not covered by AB 571 such as judicial candidates, school board candidates, special districts and county central committee candidates and must refer to the California State Contribution Limits charts: 2025 Contribution Limits Chart

Fresno County has adopted its own campaign contribution limits for only county elected offices as noted in Fresno County Ordinance 2.62.040*. Refer to FPPC AB 571 Fact Sheet for further information regarding contribution limits for city and county candidates at the following link: FPPC Contribution Limits: City and County Candidates.

Please contact FPPC Advice at (866) 275-3772 or Advice@fppc.ca.gov for any questions or advice you may need regarding campaign contribution limits and AB 571.

Committees not subject to Fresno County's campaign contribution limits must refer to the FPPC Contribution Limits: City and County Candidates section.

*The Fresno County Code Ordinance 2.62.040 for contribution limits for Fresno County elected officials precedes this section.

FRESNO COUNTY ORDINANCE 2.62

Campaign Contribution Limits for County Elective Offices (Fresno County Ordinance 2.62.040)

On August 18, 2020, the Fresno County Board of Supervisors adopted a **new campaign ordinance** to set campaign contribution limits for county elected offices pursuant to Election Code §10003 and California Government Code §85702.5. The ordinance states that "no person shall contribute an amount greater than thirty thousand dollars ($30,000) to any candidate for any county of Fresno elective office per election." "Person" as used in this section shall mean an individual, proprietorship, firm, partnership, joint venture, syndicate, business trust, company, corporation, limited liability company, association, committee, labor union or organization, and any other organization or group of persons acting in concert. "Election" means any primary, general, special or recall election held in this state. Primary and general or special elections are separate elections for purposes of this section.

Reporting of Monetary Contributions of $25 or More (Fresno County Ordinance 2.62.035)

Except where the Political Reform Act of 1974 requires the reporting of more detail, campaign statements shall include the full name of each person from whom a monetary contribution of twenty-five dollars ($25) or more has been received, together with the contributor's street address, the amount contributed, the date on which each contribution was received during the period covered by the campaign statement, and the cumulative amount that person has contributed. For purposes of this section, the term "monetary contributions" includes all contributions other than in-kind contributions.

Electronic Filing of Campaign Disclosure Statements (Fresno County Ordinance 2.62.037)

On January 31, 2017, Fresno County Board of Supervisors adopted an ordinance approving the electronic filing of campaign disclosure statements. Elected officers, candidates, committees, and controlled committees required to file campaign statements with the County pursuant to state law who have received contributions or made expenditures of $5,000 or more in a calendar year shall file their campaign statements using the Registrar of Voters' online filing system. All other filers may elect to file their campaign statements electronically or in paper format. For further information contact your local filing officer at (559) 600-3044 or (559) 600-8683.

Refer to Chapter 2.62.055 Penalty for violation of the reporting of campaign contributions of the Fresno County ordinance link: County Election Campaign Ordinance.

CAMPAIGN DISCLOSURE REQUIREMENTS

WHERE TO FILE CAMPAIGN STATEMENTS AND REPORTS - CANDIDATES

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure and petition circulation committees, to file campaign disclosure statements disclosing contributions received and expenditures made.

It is the responsibility of the candidate and committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner. Any campaign statement may be amended by a filer at any time. There are no penalties for filing an amendment. Amending an incorrect or incomplete statement may be considered as evidence of good faith in any enforcement action. *Government Code §91013 provides for a late filing fine of $10 per day with a maximum of $100 for the late filing of any campaign disclosure statements after the deadline until the statement or report is filed.*

The Political Reform Act sets out specific filing requirements and locations for candidates running for state and local office. The information below provides a guide to candidates on where to file campaign reports and statements.

The following charts describe the different types of reports and statements that may be required by candidates and their controlled committees, depending on the amount of money the candidate will raise or spend and whether the candidate will be listed on the ballot. These charts contain only the most common campaign reports and statements. Certain campaign activity may trigger additional reporting requirements. CAMPAIGN DISCLOSURE REQUIREMENTS

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements are highlighted here:

- All candidates, even unopposed candidates, are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling $2,000 or more.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Never accept or spend $100 or more in cash.
- For contributions of $100 or more, including loans, you must disclose the contributor's name, address, occupation, and employer. (Gov. Code §84300)
- Maintain details on contributions and expenditures of $25 or more, even if you are spending less than $2,000.
- Make copies of all contributor checks.
- Itemize expenditures of $500 or more made by an agent or campaign consultant.
- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.

- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of $100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed within 10 days.
- If $1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your **personal funds**.

Such reports must be filed within 24 hours, regardless of the day of the week.
- **Method of Delivery:** Unless otherwise noted, all paper filings may be filed by first-class mail. A paper copy of a statement may not be required if a local agency requires online filing pursuant to a local ordinance.
- **Other Committee Expenditures:** Contact the FPPC if the committee makes independent expenditures/contributions to candidates and/or other measures. Additional reports may be required.
- **Multipurpose Organizations (including non-profits):** A multipurpose organization that uses nondonor funds to make contributions or expenditures may qualify as a major donor or independent expenditure committee and may be required to report payments on Campaign Form 461. Such an organization will qualify as a recipient committee if expenditures exceed $50,000 in a 12-month period or $100,000 in four consecutive calendar years. An organization that qualifies as a recipient committee may need to file reports disclosing contributors. For more information, see the FPPC's fact sheet, Multipurpose Organizations Reporting Political Spending .
- **Public Documents:** All statements and reports are public documents.
- **Resources:** Campaign manuals and other instructional materials are available on the Campaign Rules page. Or, visit www.fppc.ca.gov > Learn > Campaign Rules.
- **Committee Status:** See FPPC Regulation 18247.5 to determine if a committee is primarily formed.
- **Form 511 – Paid Spokesperson Report:** File within 10 days of making either of the following expenditures related to an advertisement to support or oppose a ballot measure: 1) A payment totaling $5,000 or more to an individual to appear in an advertisement, or 2) A payment of any amount to an individual portraying a member of a licensed occupation (e.g., nurse, doctor, firefighter).

CALIFORNIA FAIR POLITICAL PRACTICES COMMISSION

FREQUENTLY ASKED QUESTIONS:

TRANSITION TO FPPC E-FILING SYSTEM (AB 1170 IMPLEMENTATION)

Effective January 1, 2025, a public official for whom the Commission is the filing officer must file their Statement of Economic Interests (Form 700) via the Commission's Electronic Filing Portal (the "FPPC Portal"). You and your filers may access the FPPC Portal at: https://form700.fppc.ca.gov

Below is a list of frequently asked questions to assist you with the transition.

Of course, we encourage you to contact the Commission's Form 700 Unit if you have any questions or concerns. They can be reached at Form700@fppc.ca.gov.

FREQUENTLY ASKED QUESTIONS

1. General

What officials are subject to this new mandatory e-filing requirement?

Effective January 1, 2025, public officials for whom the Fair Political Practices Commission ("FPPC") is the filing officer ("Commission Filers") must file their Form 700s electronically via the FPPC Portal. Government Code Section 87500, subdivision (a), lists the local and state officials who are subject to this requirement.

The following local officials are considered Commission Filers and must e-file via the FPPC Portal:

- A person holding, or candidate for, the office of district attorney, county counsel, county treasurer, county supervisor, city council member, city treasurer, city attorney, or mayor.
- A city manager, county planning commissioner, city planning commissioner, or county chief administrative officer.
- A judge, court commissioner, or candidate for judge.
- A head of a local government agency or member of a local government board or commission, for which the Commission is the code reviewing body, if the Commission has been designated as the filing officer in the conflict of interest code of the respective agency, board, or commission.
- A designated employee of more than one joint powers insurance agency who elects to file a multiagency statement pursuant to Section 87350.
- A chief administrative officer where there is no city manager.

The following state officials are considered Commission Filers and must e-file via the FPPC Portal:

- A statewide elected officer or candidate for statewide elective office.
- A member of, or candidate for, the Legislature or State Board of Equalization.
- A member of the Public Utilities Commission, State Energy Resources Conservation and Development Commission or California Coastal Commission.
- A member of a state licensing or regulatory board, bureau, or commission.
- A person appointed to a state board, commission, or similar multimember body of the state if the Commission has been designated as the filing officer in the conflict of interest code of the respective board, commission, or body.
- A designated employee of the Legislature.

Does the FPPC plan to offer trainings or educational materials concerning the upcoming transition?

The FPPC is committed to providing filing officials and Commission Filers the assistance they need to make the transition to e-filing a success. In particular, the FPPC plans to host trainings for filing officials in November and December 2024. Please check the Upcoming Training Opportunities page on the FPPC website for a list of the trainings we offer.

We also plan to distribute and publish various educational materials, including this FAQ, to assist in making this a smooth transition. Educational materials related to the Form 700 can be found on the Statement of Economic Interests (Form 700) page on the FPPC website.

How will the FPPC communicate with filing officials about the transition?

The FPPC will continue to communicate with filing officials via the FPPC Form 700 Unit's email: Form700@fppc.ca.gov. To ensure smooth communication between our agency and yours, please confirm that the Form 700 Unit's email address is not blocked.

2. Timing of Transition

When does the transition to mandatory e-filing via the FPPC Portal go into effect?

Effective January 1, 2025, public officials for whom the FPPC is the filing officer ("Commission Filers") must file their Form 700s electronically via the FPPC Portal.

When will the Commission notify those Form 700 filers subject to this requirement of this change?

The FPPC plans to send several notifications to Commission Filers concerning the transition to mandatory e-filing via the FPPC Portal. The first notice will be sent November 21, 2024. In addition to the notices, all Commission Filers will receive a welcome email with login credentials for the FPPC Portal.

May a Commission Filer submit an Assuming Office or Leaving Office Form 700 in hardcopy to their filing official if the filer departs or assumes office in 2024 and files before December 31, 2024?

Yes, but if they file after December 31, 2024 (e.g., a late statement), it must be electronically filed via the FPPC Portal regardless of whether the official departed or assumed office in 2024.

3. Navigating the FPPC Portal

Where can a filing official or Commission Filer access the FPPC Portal?

The FPPC Portal is located on the FPPC's website at the following link: https://form700.fppc.ca.gov. Commission Filers who have not received or do not have access to their login credentials may contact the Form 700 Unit for assistance at Form700@fppc.ca.gov.

Can a filer electronically file their Form 700 via their agency's e-filing system?

Yes, a filer may submit their Form 700 via their agency's e-filing system through December 31, 2024. However, effective January 1, 2025, Commission Filers must e-file their Form 700s via the FPPC Portal. No other means of filing will satisfy a Commission Filer's Form 700 filing obligation after January 1, 2025. Also, please note that the Commission's Data Exchange will be disabled on January 1, 2025, and thus will no longer accept filings from the e-filing systems maintained by other agencies.

Can a filing official add a candidate statement to the FPPC Portal?

Yes. Once a filing official confirms a Commission Filer is qualified for the ballot, they may add the filer to the FPPC Portal. More information and instructions concerning the addition of a candidate statement is forthcoming.

Can a filing official access unredacted versions of a Commission Filer's Form 700?

Yes, a filing official may download the unredacted Form 700 of a Commission Filer via the FPPC Portal. We are also considering changing the setting so that the filing officials are automatically cc'd a Form 700 is filed via the FPPC Portal. Then, local filing officials could save, download, or import the Form 700 into their own system.

Will the public have access to the Form 700s filed via the FPPC Portal?

Currently, the FPPC posts on its website the Form 700s filed by elected officers. The public can email Form700@fppc.ca.gov to request all the Form 700s filed via the FPPC Portal. The decision of whether to post the Form 700s of additional Commission Filers on the FPPC website is under consideration.

Filing officials will be notified of any change to which Form 700s are posted.

Can a Commission Filer file in paper with their agency or the FPPC if they do not have an email address?

No. The filer will need to create an email address so that they can file via the FPPC Portal. Both Gmail and Yahoo offer free email accounts to the public.

Can a filer file an expanded statement on the FPPC Portal?

As of November 1, 2024, a filer with multiple reportable positions may satisfy their reporting obligations by submitting a single expanded statement via the FPPC Portal, provided the FPPC is the filing officer for **all** the positions held by the filer. If the FPPC is not the filing officer for all positions held by the filer, they may submit an expanded statement via the FPPC Portal for those positions in which the FPPC is the filing officer.

For any remaining positions, the filer must follow the current process:

1. print a Form 700 with a blank signature from the FPPC Portal,
2. manually add the remaining position(s), and
3. submit the form to the applicable filing officer(s).

The FPPC recognizes that this process is not ideal and is actively working with its vendor to allow for the use of expanded statements for all positions regardless of whether the FPPC is the filing officer.

The FPPC will keep filing officials and filers apprised of any developments related to expanded statements.

4. Obligations and Duties of Filing Officials

Does a filing official need to enter personal contact information for the Commission Filers in their system?

The FPPC strongly recommends that filing officials keep the personal contact information for their Commission Filers current under “Confidential” in the FPPC Portal.

Are filing officials required to keep copies of Form 700s filed via the FPPC Portal?

No, filing officials are not required to keep copies of Form 700s filed through the FPPC’s e-filing system.

Filing with a Digital Signature

February 2022

Methods of Filing

Under the Act and Commission regulations, many forms—including Form 700s—may be filed via paper with a handwritten signature or with a "secure electronic signature," which may be submitted in two ways. The first form of a "secure electronic signature" is an electronic signature included in an electronic filing system. The second form of a "secure electronic signature" is a "digital signature," which may be used to sign documents electronically, if permitted by the filing officer. The use of "digital signatures" in FPPC forms is the subject of this guide.

What is a "Digital Signature?"

In short, a digital signature is a type of certificate-based electronic signature that offers increased security to ensure the identity of the signer and prevent the alteration of documents after signing.

Digital Signature Services

Numerous companies offer digital signature services, but this guide focuses on one common program that may be used for digital signatures at no cost—Adobe Acrobat Reader DC ("Adobe Reader" or "Adobe").

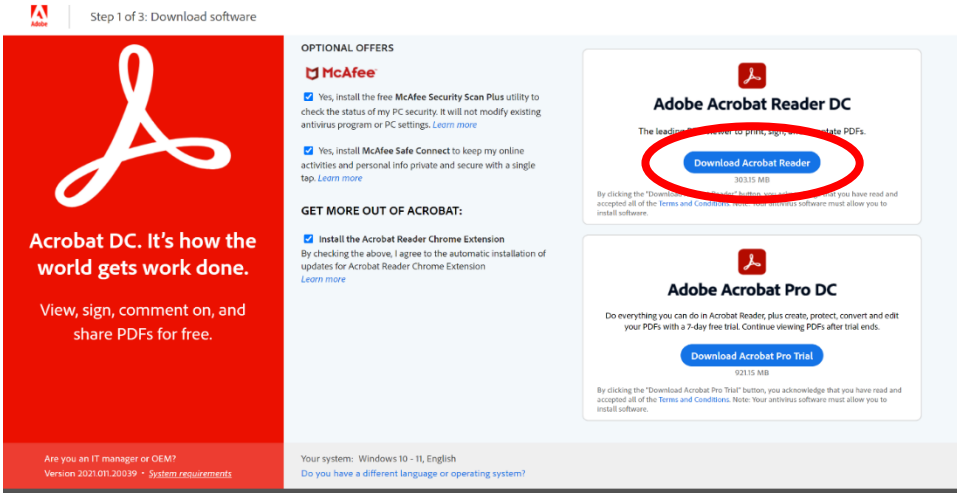

Adobe Reader allows officials to create a Digital ID to digitally sign documents, which may then be verified as valid by filing officials.

The steps below describe the signing and validation process for "self-signed" Digital IDs—that is, a Digital ID created by the signer, rather than issued by a Certificate Authority ("CA"). As explained in detail below, self-signed Digital IDs must be manually verified before they may be considered valid. In contrast, Digital IDs issued by a CA are automatically validated by the CA, which operates similarly to a notary public. An agency may use a CA for digital signature services, but there are generally costs associated with such services, just as there are with an electronic filing system.

Steps for the Filer

Step 1: Download and install Adobe Reader

If you do not already have an Adobe product capable of digitally signing a document, Adobe Reader can be downloaded at https://get.adobe.com/reader/.

Step 2: Fill out every applicable form field, other than the filer signature field, unless a field is specifically reserved for use by the filing official.

Step 3: Review your document for completeness and accuracy, then click the filer signature field.

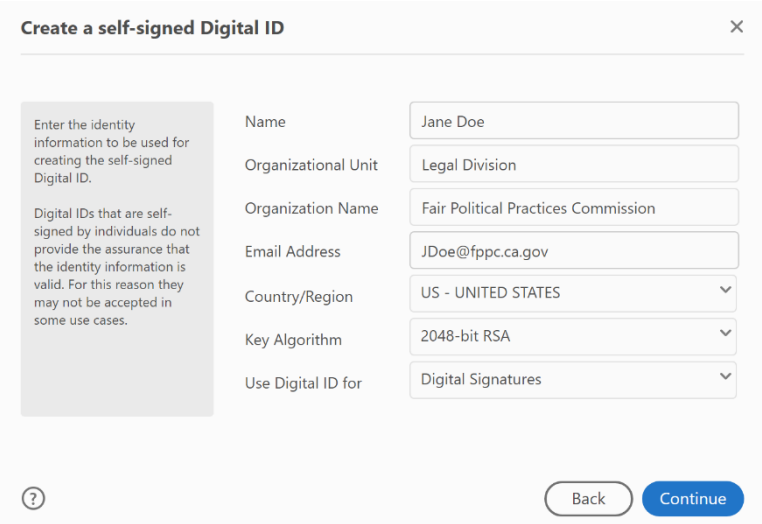

NOTE: Once the form has been digitally signed, the form fields cannot be altered unless the digital signature is removed. For this reason, it is important to review the document for completeness and accuracy.

Step 4: Create or Choose a Digital ID

After clicking the filer signature field, you will be prompted with a text box that reads, “Sign with a Digital ID.” If you do not already have a Digital ID, click “Configure New Digital ID,” followed by “Create a new Digital ID,” then “Save to File.”

Fill in the relevant information, including your name, agency email address, and organization name and unit.

Keep “Country/Region,” “Key Algorithm,” and “Use Digital ID for” on the default selections of “US – UNITED STATES,” “2048-bit RSA,” and “Digital Signatures,” respectively.

Click “Continue” and you will be asked to create a password for your Digital ID. Create a password, then select where to save your Digital ID. You will need to access this file to digitally sign documents, so the file should be saved in a location that is private and secure.

Step 5: Sign with Your Digital ID

You will be returned to the “Sign with a Digital ID” screen. Choose your new Digital ID and click “Continue.” On the next page, enter the password for your Digital ID, click “Sign,” and choose where to save your signed document.

NOTE: It is recommended you choose a new file name so that your signed version does not overwrite the unsigned version of the document.

Step 6: Review and Submit Your Document

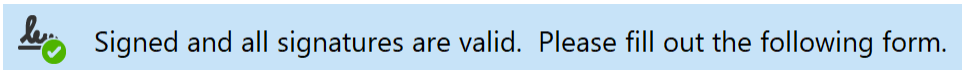

Review the document again, then send it to your filing official via your agency email address.

NOTE: If, after signing, you realize you need to amend some aspect of your form, right click your signature and click “Clear Signature.”

Steps for the Filing Official

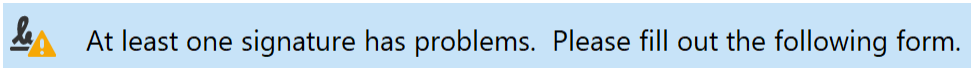

Step 1: Review the Document for Digital Signature Validity

A blue banner at the top of the document should state whether the document has been signed with valid signatures. A valid checkmark is represented by a cursive signature icon with a green checkmark.

Step 2: Confirm the Authenticity of the Filer’s Signature

Upon receiving a document signed with a self-signed Digital ID for the first time, the document will not indicate that the signature is valid. Rather, an icon including a yellow triangle with an exclamation point will display, indicating a problematic signature.

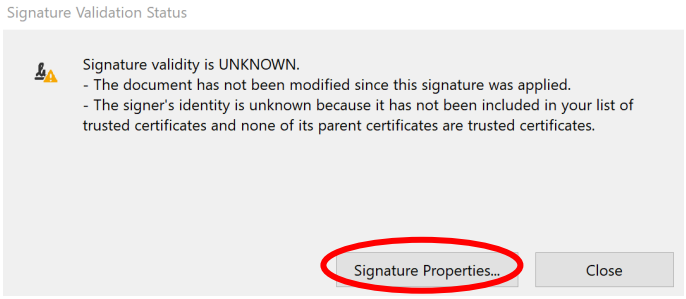

In this instance, you should reach out to the filer, generally via phone or email, to confirm the purported filer did, in fact, send the digitally signed document.

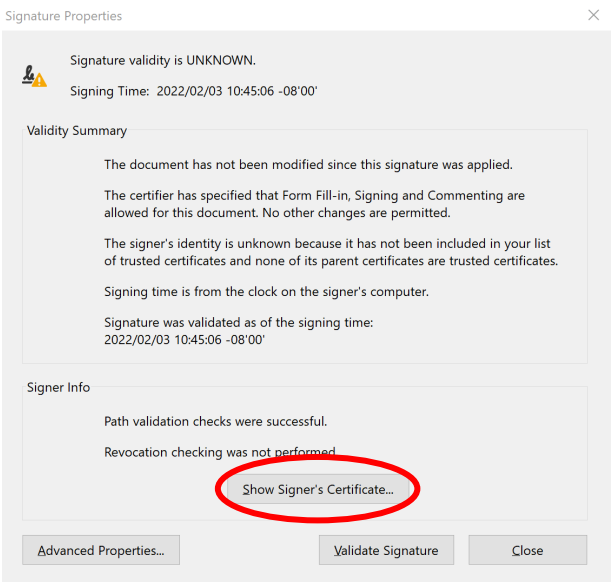

NOTE: If the file received is sent from the filer’s agency email address, you will not need to take further action to confirm the identity of the filer.

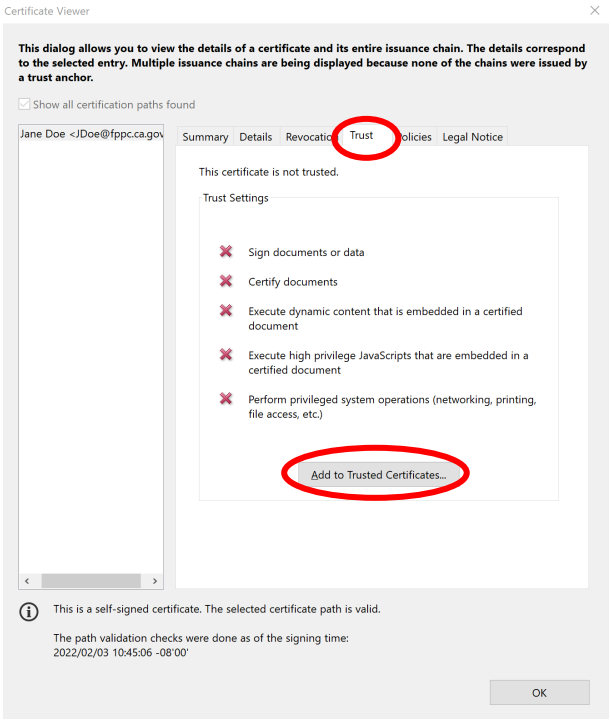

Step 3: Validate the Filer’s Signature in Adobe

Once you have confirmed the identity of the filer and their use of the Digital ID, click on the signature in the file, followed by “Signature Properties.”

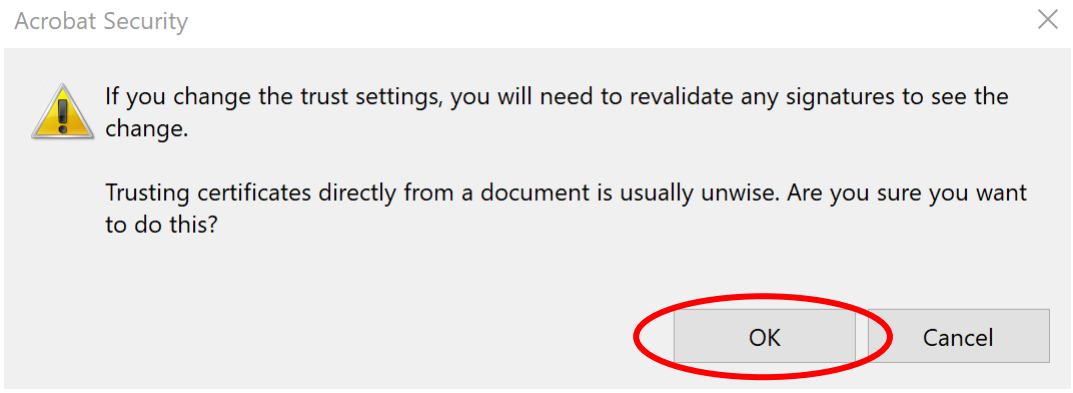

Click on “Show Signer’s Certificate,” the “Trust” tab, then “Add to Trusted Certificates.”

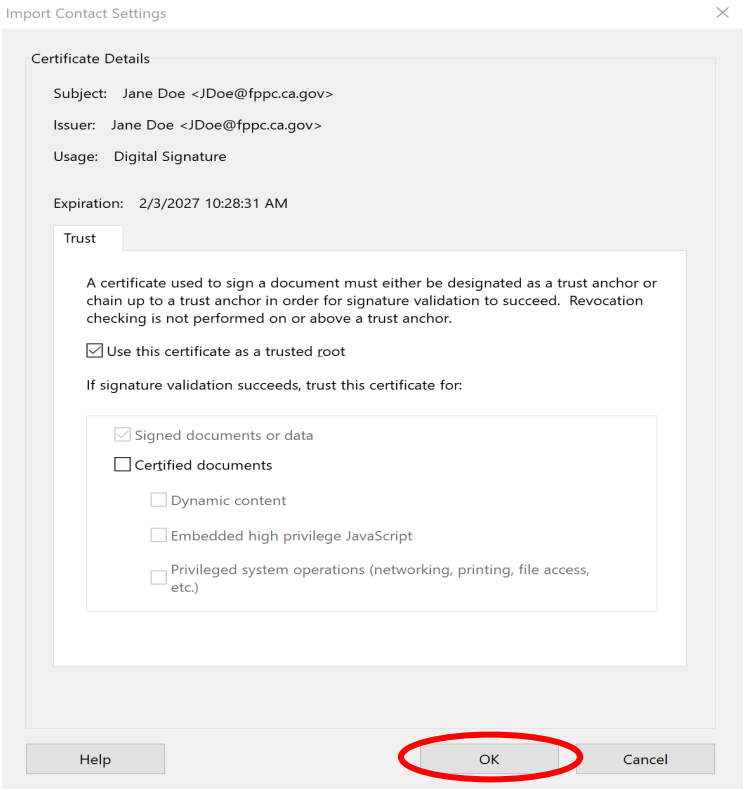

Adobe will display a text box stating, “If you change the trust settings, you will need to revalidate any signatures to see the change. Trusting certificates directly from a document is usually unwise. Are you sure you want to do this?” Having confirmed the authenticity of the filer’s signature in Step 2, click “OK.”

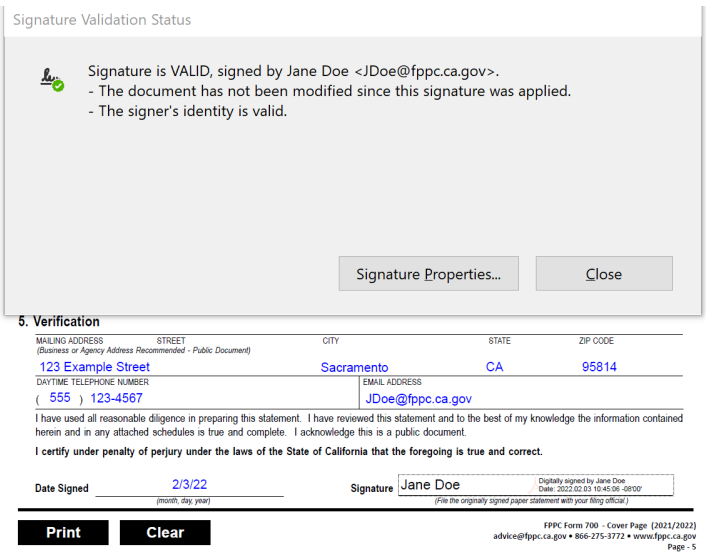

Adobe will display a page with a pre-checked box reading, “Use this certificate as a trusted root,” above another pre-checked box reading, “Signed documents or data.” Leave these boxes checked and the other boxes unchecked, then click “OK.”

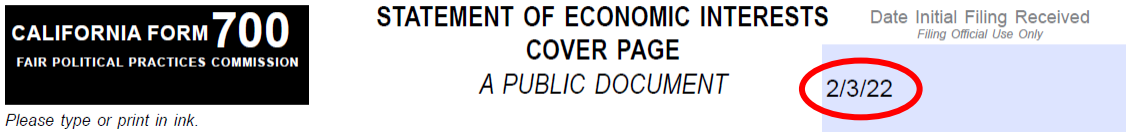

Step 6: Confirm the signature has been validated

Click the signature again and it should now display as valid.

Step 7: Add the Date Received

Note the date the form was received in the field reserved for the filing official.

Upon reopening the file, a banner will indicate that the filer's signature is valid, with a subsequent change to the form—that is, the addition of the filing date.

Step 8: Save

Save the form. It is also recommended that you save an electronic copy of the email in which the form was sent.
